For the safety and protection of all Youth Runners, the following procedures are to be strictly followed by Parents/Guardians and Youth Participants:

- For children grade 4 or under, a Parent/Guardian is to accompany their child during practices and other Programs & Events, including pick-up and drop-off.
- For Youth grade 5 or older, parents/guardians are not required to be present during practices (but may be required to be present at specified events). They are to drop off and pick up their own children.
- For all Youth, if an adult other than the parent/guardian, will accompany the child or drop-off or pick-up the child, they must notify and receive acknowledgment from a Parent Volunteer or the CRT Coach or Asst. Coach at the time of drop-off, and their written preauthorization is required to be on file (below).
- Children grade 5 or older may walk/bike home from practices (during daylight), provided the youth's parent/guardian has provided preauthorization (below). It is the parent/guardian's responsibility to keep information updated for Enrollment, Drop-Off/Pick-Up, and authorization for a child to walk/bike home.
- Valid identification may be requested of adults picking up children not their own.
- A parent/guardian should never request a child be picked up by someone unknown to the child.
- Failure to adhere to these child safety procedures may result in fines or termination of enrollment.
